

FPC | FARAJI
PROPERTY CONSTRUCTION

PROPERTY CONSTRUCTION

FPC is a second-generation, family-owned, custom luxury building company with over 20+ years industry experience.

ABOUT FARAJI

FPC homes is the interpreter of dreams, creating homes that meet your every lifestyle desire and every essential need. The difference is clear in distinctive design values and original touches, value inclusions, abundant space and commitment to quality. Relax into the life you'll love, in an fpc home that's truly your own.

As an innovator in home design and construction, we celebrate family living in all its wonderful diversity. Excellence is our benchmark, as it has been since 1998 in our parent company ali & son homes, and it's clear to see in the contemporary style, quality materials and easy-living comfort that characterises every fpc home. All at surprisingly affordable prices.
